

From: A Better Choice

Dear members of the Gift-Bearers Committee,

Thank you so much for thinking of us. Your thoughtfulness and gift to our ministry are greatly appreciated. This free-will offering will help cover the cost of educational materials used for the young women who come to us when they are afraid they may be pregnant and don't know what to do.

I thought you might like to know some of the written messages give to us from just a few of the young women we have been able to help.

Laveana, mother of twins: It has been a pure blessing God has brought threw a mighty storm. I didn't believe my babies would make it, but I remembered my counselor telling me, "When all else fails, pray!"

Pauline, mother of a baby boy: I've gone back to my home church and began living for Christ. Thank you so much for your counseling and prayers

Arcely, mother of a baby girl: I thank A Better Choice from the bottom of my heart for all the help and support; it changed my life for the better.

God is good and his love is powerful. Please continue to remember our efforts in your prayers. Together we can change lives, instill hope, and serve God through serving others.

God bless you today and always,

Vallarie L Eades

Executive Director
