The Catholic Diocese of Wichita
GUIDELINE 317-T FOR THE ADMINISTRATION OF MEDICATION AT SCHOOL

This policy applies to all prescription and over-the-counter drugs, natural and homeopathic remedies and food supplements.

A written note signed by a doctor or dentist requesting that the medication be given during school hours must accompany all medications and include the following: name of student, name of medication, dose amount and time to be given, and the anticipated number of days the medication will be taken at school.

A written request for the medication to be given at school, signed by the parent, must accompany all medication.

The medication must come in an official prescription container or the original over-the-counter packaging. It is the parent’s responsibility to supply the medication and assure that it is the same as identified on the label.

Parents must certify that the student has received at least one dose of the medication and has not had an adverse reaction to it.

Any changes in the type of drug, dosage or time of administration must be accompanied by new parent and physician permission signatures and new or newly labeled containers.

Annual renewal is required.
