ACT *PREP* Workshop

KMC Information & Registration Form

Kapaun Mt. Carmel Catholic High School will conduct an ACT test prep session providing students test-taking tips and suggestions for managing their timing and performance of each test section. In this workshop, instructor Lori Beckstrom will teach students how to take the ACT test and what they need to most focus on improving in order to increase their test score. This class will also include instruction in the areas of English and Math covered on the ACT test.

Who would benefit?

- Students interested in gaining test-taking tips and putting them to practice prior to their actual test date
- Students interested in familiarizing oneself with the content, format, and testing procedures in advance
- Students who have already taken the test, plan to take it again, and would like extra formal practice at a less costly rate in a low-risk environment

Upcoming Session Date: Saturday, October 20, 2018 **Time:** 7:45 – 12:00 **Cost:** \$20

Future Session Dates: December 1, February 2, March 23

Where: KMC Media Center - OLMC Room

Bring: A calculator, sharpened No. 2 pencils with erasers, and a notebook for writing down tips

Note: Do not bring snacks (they will be provided), gum, or plan to have use of a cell phone during testing.
