

Dear KMC Community,

What inspires every act of generosity is a story unique to each donor...

As successors to the legacy of generosity established long ago, the families of Kapaun Mt. Carmel Catholic High School have been the primary supporters of the school for more than 130 years. The mission they support is a singular one—to educate and form the entire person in the image of Jesus Christ.

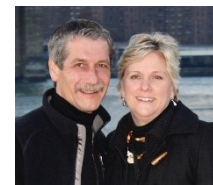

What inspires those acts of generosity from over 5,000 KMC donors is a story unique to each of them. We hope to underline the importance of the Crusader Annual Fund through the voices of those who make the school's tradition of a stewardship-funded education possible: the parents, alumni and friends of KMC.

We Don't Take It For Granted: *"We value the gift of Catholic education and are grateful that our children (Cooper '15, Crayton '19, Mason '21) are able to attend KMC. KMC's mission aligns with and supports our mission as parents and our hopes for our children and their future. We know that we will never change the world in big ways but feel confident that every gift of time, talent or treasure that we give to KMC has the potential to impact young people and bring positive change to our world through them. We're KMC proud and feel honored to be able to share our pride in this way."*

Mike and Gretchen Bina

Participation Matters: *"As the parents of five KMC alumni (Katie '00, Mollie '02, Megan '06, Claire '08 and Michael '13), we feel blessed that our children had access to a quality Catholic education. Beyond that, it is our duty and pleasure to give back in thanksgiving for all that we have been blessed with. Luke 12:48 "...to whom much is given, of him will much be required..." If we want to have Catholic schools for our grandchildren, we believe it is our duty to support the mission with our time, talent, and most importantly our treasure. We hope that all of us will be willing to pay it forward for the generations to follow."*

Chris and Mary Kay Rott

It Changes Lives: *"My Catholic education impacted me so deeply, that it led me to respond to what God has in store for me, by entering the seminary to discern a religious vocation to the priesthood. This response was sparked in my family, through practicing the faith, and then fostered positively through my Catholic education. Had it not been for my Catholic education at Kapaun Mt. Carmel, I would not have had the courage to respond to God's call for my life."* Luke Meyerhoff '18

Your gift—at any level—signifies your belief in the transformative power of a KMC education.

So we ask, what is your inspiration? What's your crusade? Please know that your gift goes to the programs that matter most to you and your family. Just as our ancestors more than 130 years ago prioritized our Catholic faith and the legacy of a Catholic high school education, we ask you to show gratitude and commitment to the Crusader Annual Fund. We can continue to inspire our students but only with your help.

God bless,

Rob Knapp
