Kapaun Mt. Carmel Catholic High School

A Year In Review
JULY 1, 2019 - JUNE 30, 2020
Eric and Elisa Riedl ’82 Bowen

“We moved back to Wichita in 2008 after living in multiple cities across the country in the previous 20+ years. During this time, our boys (Connor ’10, Aidan ’20) attended a number of other school systems (both Catholic and non-Catholic). We feel extremely fortunate that they both were able to attend and graduate from Kapaun Mt. Carmel. We believe KMC prepared them exceptionally well, not just academically for their post high school education, but for life. KMC challenged our boys to see and think about things in new and different ways, and exposed them to ideas that will serve them well as adults. We are proud to support the KMC Crusader Annual Fund.”

Mark Peddecord ’59

“As I entered high school in the fall of 1956, a brand-new school and new surrounding for a young boy. It was quite the adjustment but I graduated as a better person with a well-rounded Catholic education. Chaplain Kapaun Memorial, now KMC, allowed me to form a base of understanding and learning of life.

Education is the backbone of our society, an absolute necessity that it be provided to all. We are fortunate here to be part of the Catholic Diocese of Wichita where we practice and “embrace the stewardship way of life.”

Please remember as Father Kapaun taught “God gave us our gifts, not for our own glory and pride, but that we might use them for God’s honor and glory, use your gifts to help your fellow man as much as you can.”

Jason and Amber Lowe

“We both come from a public school education and have seen the different expectations and standards that comes with a Catholic education at Kapaun Mt. Carmel. We feel fortunate for the gifts of stewardship that have allowed our three children, Nick (’18), Hadlie (’21), and Hannah (’24), to receive an excellent education while continuing their Catholic faith formation. We are blessed to be in the Catholic Diocese of Wichita that values and supports education, and are happy to donate annually to the Crusader Annual Fund so that the gift of Catholic education is available to all.”
The 2019-2020 school year will not soon be forgotten. It ended unlike any year I’ve seen in my lifetime. The breakout of COVID-19 and its aftermath caused us to complete our entire fourth quarter in a continuous, remote learning atmosphere. Students and teachers proceeded with the education and formation process from their homes. Classes were conducted via internet conferencing, email, YouTube videos, and Google Classroom. Some students “attended school” in their pajamas and others turned in homework from their computer well into the wee hours of the morning. The important thing to note, however, is that the mission of Kapaun Mt. Carmel to be dedicated to the education and formation of the total person in the image of Jesus Christ continued on, even in a shelter-in-place environment.

Such a year was not entirely unprecedented, however. In the 133-year history of Kapaun Mt. Carmel and its predecessor schools, our beloved school has seen at least two other pandemics that have caused a shutting of the doors to students and faculty. In 1920, the Spanish Flu ravaged Wichita, and a decade prior, the 1910 Scarlet Fever outbreak forced Mount Carmel Academy to close its doors and send its boarding students home. One of the wings of the school’s dormitory was converted into a makeshift isolation ward for a local hospital to care for those infected with the virus. A Mount Carmel student unfortunately lost her life to the disease.

For a small privately funded institution, no one would have been surprised if the school’s legacy had ended during those difficult years. However, showing the grit and resilience of the Sisters of Charity of the Blessed Virgin Mary (BVMs), our story continued on, and our school thrived in the aftermath, just as it will thrive in the aftermath of COVID-19’s grip on our society.

We at Kapaun Mt. Carmel know that the continuity of our mission during this global health crisis is only possible through the sacrifices, prayers, and support of everyone listed in this annual report and the thousands of Crusader faithful who came before us. We are eternally grateful to be able to provide a Catholic education to any student regardless of economic means.

As we start the new academic year, our crusade continues so that we can provide each of our students with a Chromebook, create remote classroom options and equip our teachers with the tools necessary to have flexible lesson plans. As always, your prayers are appreciated as we put our faith in God’s divine mercy. As much as it is a record of this unusual year in our school’s history, this annual report is a testament to the power of prayer and support.

Thank you all for being a part of the Crusader family. May God bless you and keep you safe.

Go Crusaders!

Rob Knapp ’83, President
Kapaun Mt. Carmel Mission Statement

Kapaun Mt. Carmel Catholic High School is dedicated to the education and formation of the total person in the image of Jesus Christ.

Grad-at-Grad Statement

The overriding objective of Kapaun Mt. Carmel Catholic High School is to form persons who will utilize their God-given gifts and talents in the service of others. We aim to foster and facilitate the development of our students who, by graduation, are open to growth, in each of four main aspects of their life: being intellectually competent; being religious; being a person for others (charitable); and being committed to justice. We believe these four aspects are interrelated and require a unified, mutually dependent process, to form “the total person in the image of Jesus Christ.”
Achievements

CHARITY & SERVICE

The 2019-20 school year was an outstanding success in the way of charity and service from our students. The first was with the peanut butter drive, in conjunction with Bishop Carroll, to benefit the Catholic Charities Our Daily Bread Food Pantry. KMC students gathered over 4,100 jars of peanut butter. During the Canned Food Drive, also for Our Daily Bread Food Pantry, KMC collected over 31,000 cans of food for the second year in a row, beating last year’s record by over 1,000 cans. Thanks to all the hard work by our students, parents, faculty and staff for our ability to help out the food pantry in such a way! In the way of service, 100% of our students exceeded the number of required service hours for the year. The importance our students place on volunteering within their families, school, parishes, and community is inspiring.

STRYKER SPORTS COMPLEX

Kapaun Mt. Carmel had its inaugural home football season at the Stryker Sports Complex for the 2019 football season. We had five home games on the championship field and welcomed thousands of fans to the premier facility. It was a great success! Stryker Sports Complex is located in northeast Wichita and finished up a $22 million upgrade. The facility has 11 all-sports turf fields and a 112,000 square foot indoor facility. Stryker has been home to KMC soccer for many years. While KMC has held home games at several area stadiums through the years, Wichita State University’s Cessna Stadium hosted the program since the 1980s.
Our fourth annual Parents Mass was held on December 4, 2019. Along with the entire student body, faculty, and staff, over 185 KMC parents sat with their students to celebrate Holy Mass. Because we are so honored to partner with parents in the education and formation of their children, we felt blessed to share this beautiful sacrament together. We thank all who attended!

CONTINUOUS LEARNING PLAN

Our response at KMC to the COVID-19 health crisis was to implement our Continuous Learning Plan (CLP), under which classes were conducted virtually, with recorded lectures, emailed assignments, and videoed presentations. Video conferencing allowed for some resemblance to a classroom setting.

All this was possible only because our faculty and student body were prepared beforehand, at least partially, through a multi-year adoption of the Google Classroom® platform, which allowed for virtual classroom settings and so-called flipped classrooms even during “normal” times. The COVID-19 crisis, therefore, became more of a metaphorical shifting of gears, rather than a completely new design of educational methods for most of our faculty and student body. During the CLP that we were forced to implement last spring, we know the Crusader Annual Fund helped our students and faculty:

- Distribute more than 120 Chromebooks to students who needed these resources to successfully complete their schooling
- Provide more than 300 meals a day from our cafeteria
- Leverage several online learning platforms so 100% of our teachers could teach through our CLP
- Broadcast daily Masses online
Faith

11 new spiritual formation opportunities offered to KMC students within the last three years

42% of students exceeded the number of required service hours totaling over 18,000 hours for more than 30 Wichita agencies

83 students attended MARCH FOR LIFE in Washington, DC

160 MASSES PER YEAR

4 all-school rosaries

Academic

3.5 AVERAGE GPA for the Class of 2020

30 GRADUATED FROM THE CUM LAUDE PROGRAM
WORDS FROM OUR 2020 Graduates

LARISSA LIRA

Kapaun Mt. Carmel Catholic High School will always hold a special place in my heart. I am very blessed to be part of a community that promotes students with confidence and spiritual growth. I feel more than prepared to begin my journey as a college student because KMC provided the education needed to be a successful student. I would like to thank God, my parents, teachers, administrators, priest, donors, and parishioners at St. Margaret Mary Catholic Church for making it possible for me and others to receive a Catholic education.

JAIRUS KENNEDY

I have many great memories of my time as a Kapaun Crusader. There have been many teachers and coaches who have positively influenced my life. I will always be grateful for the opportunity I had to receive a Catholic education and be part of the Kapaun community as it has helped prepare me for my next journey in life.

JACKLYN BROKAW

I am so blessed with the opportunity to have attended Kapaun Mt. Carmel. As a graduate, I recognize how special it was to be a part of this community. From my participation in soccer and cross country, clubs, student events, and school Masses, I have been left with countless memories. Not only has Kapaun created a strong foundation in my education but has also allowed me to grow in my faith. My past four years of high school have pushed me to being the best version of myself.

TAYLOR SWEAT

The Catholic education I had the privilege of receiving at Kapaun Mt. Carmel helped me grow as a person spiritually and prepare me academically for higher education. During my time at Kapaun, I found some of my closest friends, as well as learned valuable knowledge that I will apply for the rest of my life. I will cherish the memories, relationships, and experiences I shared with the students, faculty, and staff at Kapaun.

ETHAN TRUONG - VALEDICTORIAN

After spending four years at Kapaun Mt. Carmel, I’ve got to say - I wouldn’t have it any other way. Inspiring faith formation, caring teachers, enduring friendships - all of them crafted my instrumental experience here. I will forever be indebted to KMC for purposefully shaping this chapter of my life. Molded by this impactful school and community, I hope to apply the values instilled in me in pursuit of truth and goodness.

Thanks to the generosity of an anonymous donor, we were able to purchase a new crusader mascot, and introduced it in August 2019. A group of students, alumni and faculty worked in collaboration for a year and a half with a design company to create our mascot, based on our desires to accurately represent a crusader and our school. We worked with Maydwell Mascots to create this one-of-a-kind costume. In the first year, our Crusader attended many events, including KMC sporting events, the Kriwiel Classic and the Wichita Thunder hockey game celebrating the birthday of their mascot, Thunderdog. Keep an eye out for the Crusader at KMC events!
The impact of the COVID-19 global health situation during the 2019-2020 school year was felt not only in the day-to-day operations of Kapaun Mt. Carmel, but also in our school’s finances. While we remain truly blessed from a revenue standpoint, with 77% of our school’s operating revenues coming from our feeder parishes under the diocesan stewardship educational model, in 2019-2020, combined expected revenues from our parishes, student fees, non-Catholic tuition, and athletic gate revenue were below projections. The Crusader Annual Fund was likewise slightly below our budgeted goal, but overall advancement revenues were ahead of projections, due to outstanding special events, like the Ed Kriwiel Golf Classic and Trivia Night.

Compared to expenses in the 2018-2019 fiscal year, expenses were up in 2019-2020, due in large part to fairly significant increases in salary and employment benefit costs. Cost savings from the fourth quarter of the school year, when all classes were forced to go remote through our Continuous Learning Plan, aided us, but overall, Kapaun Mt. Carmel showed a net operational deficit for the fiscal year ending June 30, 2020, of about $37,000, an amount that was absorbed from savings.

We remain grateful for the financial support that the Kapaun Mt. Carmel community pours into our school each year, particularly the support for the Crusader Annual Fund. Times like these show us just how important the Crusader Annual Fund truly is, and the response from our community to this annual operational appeal keeps our school in a position to advance our mission and continue the legacy of excellence for which Kapaun Mt. Carmel is rightly known.

Thank you to all our supporters, especially during these trying times.
Parents, alumni, grandparents, parents of alumni, faculty, staff and friends all have an important role in maintaining the history of KMC, which has educated and formed the total person in the image of Jesus Christ for more than 130 years.

The Crusader Annual Fund provides the revenue that closes the “gap” between the cost to educate each student and the amount provided by parishes from stewardship and tithing. As a donor, you are assisting every students’ experience at KMC, including academic support, spiritual development, fine arts programs, sports and competitions, operations and facility’s needs, and much more. It is a critical source of revenue for our school.

The following pages recognize those donors who made a gift in the fiscal year, July 1, 2019 - June 30, 2020. Building Fund (Phases 1-3) donations are not included in this listing and will be listed in a special campaign publication. Some donors wish to remain anonymous, therefore their names are not included in these lists.

Thank you for your continued generosity and support of Kapaun Mt. Carmel Catholic High School.

Alumni Annual Giving

*Indicates five consecutive years of giving.

Alumni giving is an important tradition for our Mount Carmel Academy, Chaplain Kapaun Memorial and Kapaun Mt. Carmel alumni. We rely on our alumni to provide many of the fund necessary for us to continue to provide excellence in Catholic education.

The following list represents the alumni who made a gift to the Alumni Annual Fund in the fiscal year, July 1, 2019 - June 30, 2020. Thank you for your generosity and ongoing support.

We would like to thank the following sponsors who helped make the 11th Annual Ed Kriwiel Memorial Golf Classic, held on September 26-27, 2019, at Crestview Country Club such a success!

A two-day event, hosted by the KMC Alumni Association, the Ed Kriwiel Memorial Golf Classic has something for everyone! Alumni, current parents, parents of alumni, grandparents, and KMC friends enjoyed the Kick-Off Party on Thursday night with a laid-back barbeque dinner, live band and auction. On Friday morning, guests teed off to enjoy the breathtaking North Course at the award winning Crestview Country Club. Over $30,000 was raised with all proceeds benefiting KMC. Thanks to all who helped make it successful!

A fun night of friendly competition!

KMC Trivia Night 2020 welcomed 350 KMC parents, alumni and friends to a fun night of drinks, food and trivia fun on Saturday, February 1, 2020, in the KMC Commons. The event netted $9,656 for the Crusader Annual Fund. Thanks to our volunteers and all who attended!
